- Tire Condition
- Brake Pads
- And more...

Call HD Group for ordering information: 636-227-4443

According to American Car Care Week, each vehicle that enters your shop has multiple items that need repair or replacement. If you see 40 vehicles a week in your shop, it can mean an additional \$150,000 in revenue annually.

Key Tags

These low cost, durable, colorful plastic key tags can be personalized with your business name, address, phone number and/or website. Place them on your customer's key ring or on their center consoles. The key tag front has the Auto Service Experts logo or your business logo printed in full color.

There are two options available for the back:

- Your business information
- Your business information with a free oil change offer (after five punches)

Additional information can be found at:

AUTO SERVICE EXPERTS CUSTOM KEY TAGS!

Like cars, durable, and fast plastic tags really travel faster than a credit card. Two options on reverse side to promote your business and keep your contact information at your customer's fingertips.

Attach this to your customer's keys when they visit, just one in the vehicle's center console, or hand them out at all business related events.

Pricing shown below is for the Auto Service Experts logo on the front side and your business info on the back side.

If you want to replace the Photo Plus top with your logo, there is a charge of up to \$50.

Leave your information with your customer's keys to remind them of your business and the quality work you perform.

FRONT 2 1/2" X 1 1/4"

BACK OPTIONS

A Business Name, Address, City, State, Zip, Phone, Website

B Business Name, Address, City, State, Zip, Phone, Website, FREE OIL CHANGE
