

ASE BLUE SEAL OF EXCELLENCE PROGRAM

Employing ASE Certified technicians helps your customers. Take it to the next level and help your business itself.

ASE Blue Seal of Excellence Program

You recruit the best employees, support their training and insist on the best equipment. Your business stands out because of your ASE-certified staff and the quality reputation you've earned with your customers. Parts Plus Car Care Centers have an application fee of \$150 (\$85 savings).

Now it's time to get all the attention you deserve for your commitment to excellence—through the ASE Blue Seal of Excellence Program. To qualify, your business must meet the specific criteria:

Repair Businesses

(Dealerships, Independent Repair Shops, Fleet Garages, etc.)

- ✓ At least 75% of technicians performing diagnosis and repairs must be ASE certified
- ✓ Each area of service offered in the shop must be covered by at least one ASE Certified technician
