Using EasyPay gets you more returning customers because you're helping them:

Save money - 90-Day Interest Rebate means if they pay off their balance in 90 days, they'll get a full interest rebate***

Pay later - \$0 down required today

Avoid surprises - EasyPay contracts are fully transparent so your customer is never caught off guard

IMPORTANT: Why EasyPay is Better than Lease-to-Own

- How do you rent a repair?
- Figuring out parts and labor ratios is complicated for your staff
- Lease multipliers (lease version of APR) are confusing for customers and can be more expensive - leading to customers that may not return
- Customers don't like up front fees or down payments

Bottom line: EasyPay Finance results in happier customers that continue coming back.
