

TECHNICAL TRAINING

INJECTRONICS TRAINING

Additional training at your convenience cannot be beat. We have partnered with Injectronics to provide online and leader-led courses for your shops.

These classes can be viewed at any time at www.injectronicstraining.com. As a Parts Plus Car Care Center, you can receive the training at a discount.

Platinum program members have twice the opportunity to enroll in four (4) no-cost technician webinars. Invest in your customers' vehicles by investing in professional technician training.

Additional information can be found at www.partspluscarcarecenter.com.
