

PARTS PLUS CAR CARE CENTER CUSTOM KEY TAGS !

Low cost, durable, non fade plastic tags slightly thinner than a credit card. Two options on reverse side to promote your business and keep your contact information at your customers fingertips.

Attach this to your customer's keys when they visit, put one in the vehicles center console, or hand them out at business related events.

Pricing shown below is for the Parts Plus logo on the front side and your business info (A or B) on the back side.

If you want to replace the Parts Plus logo with your logo, there is a one time set up fee of \$50.

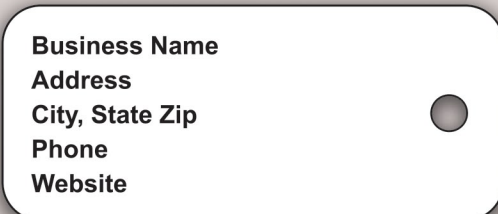

Leave your information with your customer's keys to remind them of your business and the quality work you perform.
