REPAIRPAL.COM CERTIFIED SHOP PROGRAM

RepairPal connects consumers with the best auto repair shops across the nation. We send these customers to RepairPal Certified Shops, knowing they will give them a superb car care experience marked by transparency and trust.

With over five million visitors, shops receive an average of eight to 12 new customer calls a month from RepairPal.com. In addition to website referrals, your shop will gain access to new customers through our partner relationships with CarMax, USAA and some of the largest tow programs in the nation.

If you have superior training and fair pricing, we invite you to join our Certified Shop program. When you contact RepairPal, mention you're a member and qualify for an enrollment discount!
