

CONSUMER REBATE PROMOTIONS

The Parts Plus Car Care Center Consumer Rebate Promotions are designed to assist shops in selling additional services. This aids in strengthening their competitive edge among national chains and OE dealers, project a more professional image, increase profitability, attract new customers, and maintain existing customers.

Each year, CCCs participate in three product-specific service promotions to increase sales and profits. Through on-line rebates on specific services, customers can tackle neglected maintenance issues while saving money. CCC Headquarters and our preferred vendor partners fund these rebates. There is no cost to the Car Care Center.

Each consumer promotion kit contains:

- Rebate Request Instructions
- Promotion Bay Banner
- Rebate Pad Forms
- Window/Wall Poster
- Laminated BounceBack and Referral Flyer

Additionally, customers will receive a \$10 "Bounce Back" discount coupon to use for future repairs. They will also receive a \$10 "Referral" discount coupon for a friend or family member. This is our way of saying "Thank You" to the customer for their valued business.
