Online and easier than ever!

- Now you can submit most rebates online.
- Car Care Center Rebates are available on products purchased and installed at a Parts Plus Car Care Center location during the consumer rebate periods.

How we make it easy:

- Receive rebates sooner.
- Now your customers will receive their check within 4-6 weeks, instead of the 10-12 weeks that most retailers make them wait.

Submit all rebates at one time.

- If your customer has purchased more than one qualified product, they can all be submitted at the same time.

IT'S AS EASY AS THAT!
