

SHOP TRAINING

INJECTRONICS

Added training at your convenience cannot be beat. We have partnered with Injectronics to provide online and leader-led courses for your shops.

These classes can be viewed at any time through their website www.injectronicstraining.com. As a Parts Plus Car Care Center, you will receive the training at an additional discount.

As a Platinum Member of the Parts Plus Car Care Center family, we have extended (4) no-cost training webinars, hosted by the professionals at Injectronics training.

Additional information can be found at www.partsplus.org.
